### **The Submarine School of Music Piano, Guitar, Ukulele, and Voice Grades Kindergarten through 5**

We are thrilled to announce a potential new partnership between St. Pius Tenth School and The Submarine School of Music.

This opportunity replaces what we have offered in the past, but this is an incredible chance to change things up a bit. It also expands the opportunity to all students in grades K – 5!

Please call the school office with any questions.

### **Private Music Lessons at St. Pius**

My name is Jasmine. I am Puerto Rican and I was born and raised here in Rochester NY. I have loved music ever since I was young and had the privilege of growing up in a very musical family with generations of musicians and singers. I love music and I love sharing that love with others, especially young kids who are just discovering the joy of music. I am a board certified music therapist and have had the privilege of working with children of all ages and populations. I teach piano, voice, guitar, & ukulele! In lessons at St. Pius, we will

learn the fundamentals of the student's chosen instrument and have opportunities to perform at recitals.
