REMINDER FOR CAR LINE

Just a reminder for those families whose students are driven to school:

Please follow the guidelines that we have established for arrival and dismissal.

When dropping off students in the morning at our Pre-K doors, cars that are going to the main entrance for K - 5 drop off should go around the Pre-K cars slowly and carefully.

At dismissal time, K - 5 pick up cars should go around the back of the church and wait at the stop sign to be signaled by the staff member following our Pre-K dismissal.

ALL cars are expected to exit the parking lot via Chestnut Ridge Road.

Thank you for your cooperation!

We are again asking for your help by scanning and submitting receipts for Box Tops for Education. Each month the class that earns the most \$\$ will earn a dress down day!

We've surpassed the \$20,000 lifetime earnings goal! We're currently at \$187.00 for this year. Our first monthly leaderboard starts next Tuesday. Included in this week's envelope are the steps to follow to give credit to your child. Remember to use Mrs. Sabo's referral code(O0GA5M0B) when signing up to earn 25 Bonus Box Tops!

**The Submarine School of Music
Piano, Guitar, Ukulele, and Voice**

We are thrilled to announce a potential new partnership between St. Pius Tenth School and The Submarine School of Music.

The opportunities are a bit different than what we have offered in the past, but this is an incredible chance to change things up a bit. It also expands the opportunity to all students in grades K – 5! Please see the enclosed flyer for further information, and as always, please call the school office with any questions.

My name is Jasmine Torres. I am Puerto Rican and I was born and raised here in Rochester NY. I have loved music ever since I was young and had the privilege of growing up in a very musical family with generations of musicians and singers. I love music, and I love sharing that love with others, especially young kids who are just discovering the joy of music. I am a board-certified music therapist and have had the privilege of working with children of all ages and populations. I teach piano, voice, guitar, & ukulele!
